

For unto us
A Child is born,

unto us a Son is given;
And the government will rest on His shoulders;
And His name will be called
Wonderful Counselor, Mighty God,
Eternal Father, Prince of Peace.

Isaiah 9.6

Jesus was an unplanned pregnancy. His birth was shrouded in accusations and his mother was dealt shamefully for such a disgrace all her life. No one thought that the Holy God of Israel would have anything to do with this lowly situation. But it was the lowly and disgraced that Jesus came to save as He took on their form and their shame and their humility so that we who trust in Him may take upon ourselves His beauty and His integrity and His position as sons of the Living God.

Today, young college and university students in our Valley are becoming pregnant, and on average, one of these students heads to the hospital every single day during the school year to end the life of their little one. What else can they do? What other support do they have for any other option?

This spring, a young college student, pregnant, scared and far from home, sat at her computer searching for help, looking for support, hoping someone cared. Our website, "asafeplaceforme.com" appeared at the top of her Google search and she contacted us. She told us about her situation and how she didn't know what else to do or where to turn. She said the only thing she could think of was to go to the Emergency room at the hospital ... until she found us. She said, "I am so glad you were here for me." We were honoured to be here for her and thankful to God that He has enabled us to be here through your help.

This past October, at our "Life is Beautiful" banquet at the Old Orchard Inn, Jordan stood up and presented her new, firstborn child, to 200 guests who had come to learn more about what God was doing through the Centre. About that same time, we had posted many "I'm Pregnant" posters (see above) all over the local colleges and university letting them know that confidential support is available for them. It wasn't long before more students came to see us. "I loved how friendly and understanding everyone was" is how we were described by them. We want to make sure that more and more college and university students are reached with all the support and help they need and to know that carrying their baby to term is possible and strongly supported by people in our community, that all the resources they need are available and that we are here to help.

We have been working hard over this past year and a half to develop a sustainability plan so that we can make sure that we will always be here for college and university students like Jordan as well as the hundreds of High School students we minister to each year and the women and men struggling with a past abortion and to promote adoption as a positive option and help young parents grow in their parenting skills, all in the name of Jesus Christ. In 2010, we had a serious shortfall of donations. Over this past year, we are happy to say that God is rising up labourers and warming hearts as we have seen our support base grow substantially - but we are not quite there yet. We would like you to consider helping us reach our goal and increase our monthly giving.

How can you help make a difference? Through the months of November and December, 2011, we are inviting you to partner with us by signing up for automatic monthly donations. The banquet donations have helped us along toward our goal. You can help by filling out the form below and mailing it to us with a "void" cheque. The Valley Care Pregnancy Centre is entirely dependent on the generosity of individuals and churches to do the work of this ministry. If you would like to donate financially, or would like more information about these important ministries including how you may help volunteer, you may contact the Centre directly at PO Box 725, Kentville, NS, B4N 3X9 Phone: 902.678.6217

Yes! I want to help and support college students like Jordan know there are positive options for the life of their baby!

- I want to become a monthly donor to support the ministries of The Valley Care Pregnancy Centre.
I understand that I may cancel this arrangement in writing at any time.
- I prefer my gift to be made on the 1st or 16th of each month.
- I want to use my CHEQUING account. I hereby authorize The Valley Care Pregnancy Centre to deduct:
 \$20 \$40 \$50 \$_____ from my chequing account each month.

Thank You!

Please return this form with a cheque marked "void" so that we may make arrangements with your bank.
